Pricing for Clients

The “Yeminition Studio” is one of the most prolific animation studios in Nigeria. We deal with express animations of characters within a very short period. Our team works tirelessly to ensure clients get their animations as soon as possible. We deal in the following aspects of animation and short movie production;

- Character and props modelling
- Rigging of characters
- 2d animation
- 3d animation
- Cel animation (frame by frame animation and rotoscoping)
- White Board Animation
